

Elder Arlene Crump Peebles

Arlene is Founder, CEO, and Executive Director of Alabaster Place, Inc.

I greet you in divine love and in the name of Jesus, the Christ. As it is written, *“Eye Hath Not Seen, Nor Ear Heard, Neither Have Entered into the Heart of Man, the Things Which God Hath Prepared for Them That Love Him, according to 1 Corinthians 2:9.*

Arlene Crump Peebles, a graduate of High Point University, is the Founder, CEO, and Executive Director of “Alabaster Place, Inc.”, which is a training, deliverance and development center in Winston-Salem, NC. The tremendous mantled anointing on her life, has afforded this ministry to touch over 16,000 lives by way of individual sessions, training seminars, special events and distributed resource materials. Sister Peebles is the daughter of Frances Flow and the late Willie Crump. She wears many hats, one being the wife to an awesome man of God, Elder Larry Peebles, in addition to being a mother and grandmother. She’s the sister to four siblings, a book and play writer, director and producer, a mentor and coach, a motivational speaker, an intercessor, a seminar instructor, a physical fitness instructor, an interior designer and decorator, just to name a few.

She serves on the ministerial staff at Greater Cleveland Avenue Christian Church, where Bishop Sheldon & Co-Pastor Joyce McCarter reside as her spiritual covering. Arlene Crump Peebles yielded to her call into the ministry in 1996 and has served on a variety of ministries. She is one of God’s prophets whom He has called to cry loud and spare not; lifting up her voice like a trumpet declaring what thus saith the Lord God. Her focus is to serve God and His people faithfully, diligently and zealously with a spirit of excellence so that God will be glorified and the enemy will be horrified.

Sister Peebles believes in the five-fold ministry and willingly submits to the power of the Holy Ghost, so that her mission, mandate and message will bring change and challenge to the lives of individuals. On any God-given assignment, she expects the anointing to remove burdens and destroy yokes, along with signs, wonders and miracles manifesting so that people will be propelled into their purpose and destiny. Sister Peebles believes that when the Spirit of God is in operation and the un-compromised, unadulterated word of God is being delivered through teaching, preaching, prophesying or demonstration dispensation, people will be healed, delivered and set FREE.

Her desire is to remain humble so that God will continue to use her for His glory. She believes that we are under an **open heaven** and those who are in tune with the Holy Spirit, are about to experience a supernatural blessing explosion like never before. Sister Peebles believes our latter shall be greater than our former and her favorite scripture is, Matt. 6:33 *“But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.”*
